### Origination Costs

The cost per colour can only be quoted upon sight of artwork. It will vary according to the size of the bag and the number of spot and/or screen colours required, (from around £175 to £300 per plate). Please note that metallization requires one additional plate.

### Notes

1. Delivery in a single drop within mainland UK is included.
2. You may specify any design, picture or text as required for the customization.
3. Minimum quantity of 50,000 bags for printing on kraft paper
