Dear Chef

Welcome to Mona Lisa Studio's Collection 2026-2027, the second edition of our all-in-one 'Collection' – renewed, refined, and richer than ever!

What began last year as a bold step toward simplicity has now grown into a fully established tradition. Once again, we've brought everything together in one thumb-indexed catalog, giving you a clear and convenient overview of our complete offering - Spring, Winter, and All Year Round collections.

Inside, you'll discover also a blend of fresh creations like birthday icons, regional celebrations and festive classics. Explore a lot of **NEW** items (highlighted with a yellow star symbol), like the **Lotus Flower (2,5D)**, the **Mini Taco in white chocolate**, a **football range**, **Gnome (2,5D)**, **textured plaques**, etc.

Enjoy the brilliance of our improved, glossy and vibrant **gold** and **red**.

Whether you know exactly what you're looking for or you're simply exploring possibilities, you'll find plenty of inspiration. This year, we also had the pleasure of collaborating with a new selection of talented chefs — both local and international — each bringing their own creative vision to the table: **Nicolas Leroy - Chocolaterie Dossche (BE)**, **Vincent De Marez (BE)**, **Jürgen Koens - Pastry Club (NL)**, **Ton Jongejan - Callebaut Chocolate Academy (Benelux)**, **Panos Samaras, Laura Gonzales and Romain Renard - Callebaut Chocolate Academy (Dubai)**.

Our **customization** options are tailored to professionals across the industry and the high-end segment alike. And because we love showcasing what's possible, we've included a selection of recent personalized creations.

If **chocolate decorations** are what you seek, you're in the right place. We work exclusively with premium Belgian Callebaut chocolate made with sustainably sourced cocoa through the Cocoa Horizons initiative — supporting both people and planet. Learn more at www.cocoa Horizons.org.

For select creations, we partnered with Dings Decor, known for their vibrant printed **marzipan** and **sugar paste decorations** in countless variations. In this catalog, you'll find a marzipan plaque for each season or celebration.

We keep our **colour expertise** at the heart of what we do. We continue to prioritize natural ingredients and sustainable choices throughout our food colorants, including our cocoabased **Cocoart™** colors.

Let this second edition be your guide, your inspiration, and your creative spark.

As this range of products is intended to be used in final consumer products, it may by itself contain coloring agents above maximum levels set by country regulations. We recommend to carefully evaluate color content in the final consumer products to ensure compliance with applicable color regulations. Our range of products has been produced according to the European legislation. For local compliance in other regions, please double-check with your local regulations. The color intensity of prints based on ingredients 'from natural origin' may deviate.
