FAQs

How often will price band discounts be reviewed?

Every quarter, on the 1st of January, April, July and October.

How will my price band be set?

On each quarterly review date, your price band will be **reset automatically** based on your turnover for the **previous 12 months**.

For example, if on 1st October 2019 your turnover for the period from 1st October 2018 to 30th September 2019 was £15,300, we would put you on a 10% price band giving you a 10% discount on all orders you place for the following 3 months.

What if I'd rather get order value based discounts?

Just let us know and this will be applied from the following quarter. Please note that if you choose to get order value based discounts, then you will need to remain on this structure for the following 12 months.

What if I order online?

All applicable discounts will be applied automatically when you order online.

How will I know what discount or price band I'm getting?

This will be printed on every invoice.

* Please note that all machinery (product codes beginning SEM) is not included in the discount structure. See our terms and conditions of sale.
