To create your artwork: Please submit a high res image (300dpi at actual size) as a JPEG or PDF file.

Please note: If you are able to provide this as a vector file, that would be very helpful in making sure that the final artwork is as high quality as possible, especially with more complicated artwork. If you don't know how to create your artwork - speak to your local designer, or if you need us to put you in touch with a designer please contact us.
